

Kurser

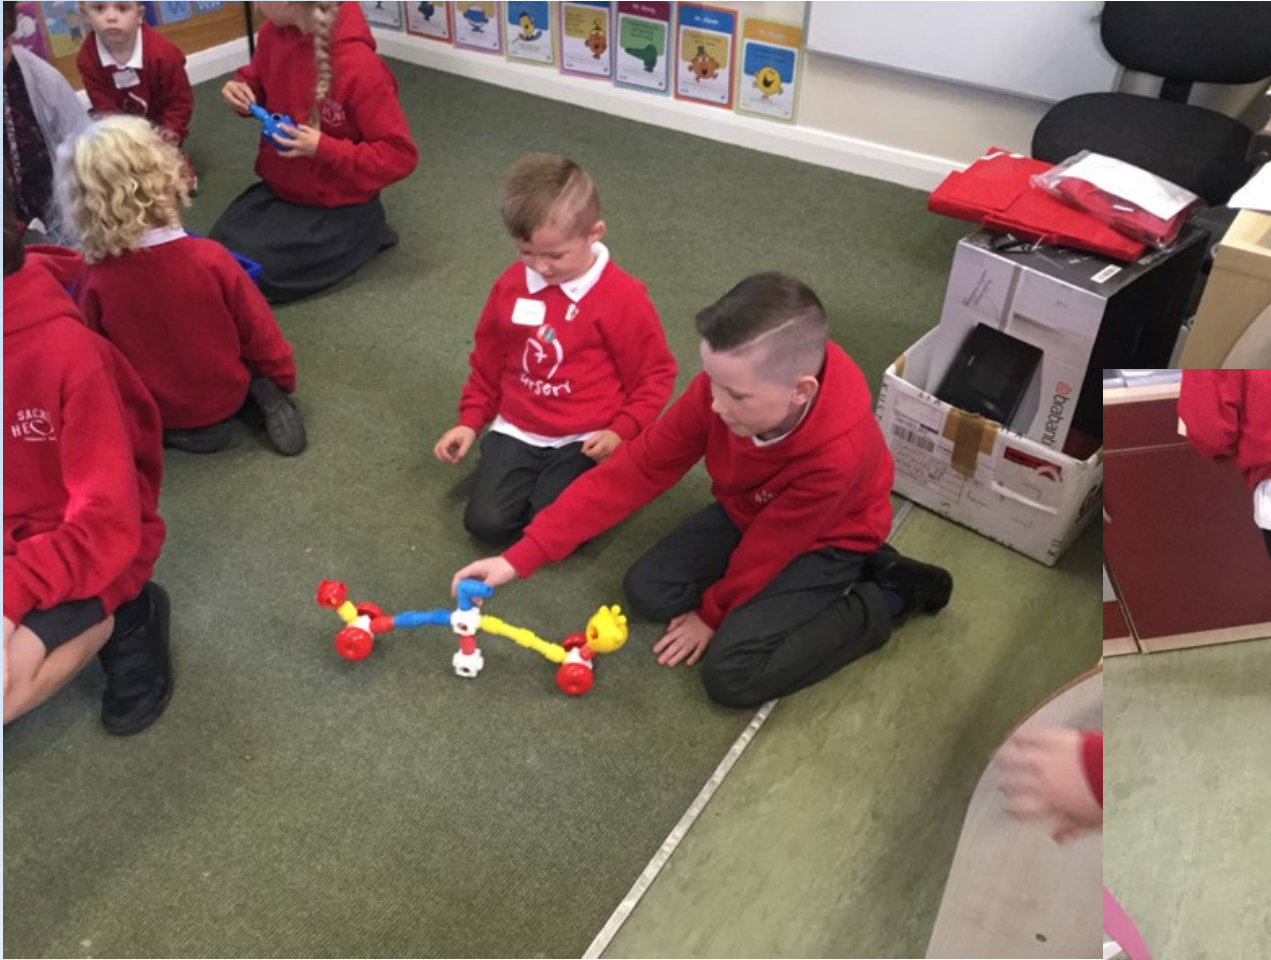

We love
our
new
buddies
from Y5

We love to share stories...

...and have a good
play.

We have been getting
to know each other...

...and starting to
learn new things.

A group of children are playing outdoors on a paved area next to a brick building. A large cardboard box is used as a fort, with one child visible inside. Other children are sitting on chairs or standing around. A date stamp '08 10 2018' is visible in the bottom right corner.

Who knew a cardboard box could be such fun?

All aboard the Nursery Express!!

We enjoy having a good splash!

Printing is fun.

We
love
to
paint.

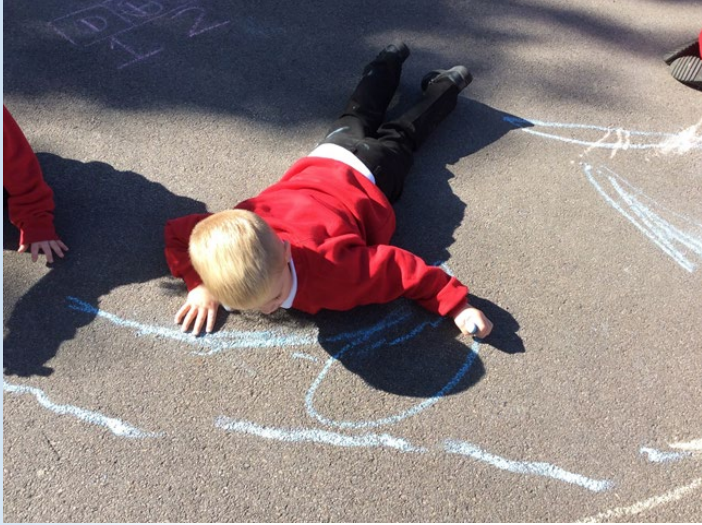

We've
got lots
of
places
to play.

Being
outside is
awesome.

Concentration is everything!

Waiting for your turn is a skill...

There's
always
work to be
done.

... but there's
always time
for lunch.

From
princesses
to
astronauts

Everyone
likes a
good
dressy
up!
