

What makes a hero or a heroine?

What do plants need to stay healthy?

English

Narrative: We will be exploring a different version of Rapunzel as an example of the 'Rags to Riches' story type.

Non-fiction: Writing simple, ordered instructions for a familiar process.

Poetry: Discussing and performing classical poetry.

Maths

Measurement

- choose and use appropriate standard units to estimate and measure length/height in any direction (m/cm)
- compare and order lengths and record the results using $>$, $<$ and $=$

Position and Direction

- use mathematical vocabulary to describe position, direction and movement, including rotation for quarter, half and three-quarter turns (clockwise and anti-clockwise)

R.E

Pentecost: A time to spread the Good News
Reconciliation: Reasons for rules in the Christian family

PSHE

We will explore the idea that we belong to various communities. You will learn about the role of the police and why we need laws.

ADDITIONAL READING

Science - Plants

- Carrying out a simple comparative test to find out what plants need to stay healthy
- Observing and recording the growth of different seeds and bulbs into mature plants.

History - Heroes and Heroines

We will be learning about a range of significant people from the past and discussing their achievements.

We will learn about Rosa Parks and Emmeline Pankhurst and their role in fighting for equal rights. We will explore Grace Darling as a heroine in our own locality and begin to consider what modern-day heroes and heroines look like.

PE

You will be developing your throwing and catching skills and using bats to practise striking a ball with accuracy. We will also continue to develop cycling skills on the bikes.

Art

We will explore the work of Claude Monet and you will use different painting and colour-mixing techniques to create your own artwork in his style.

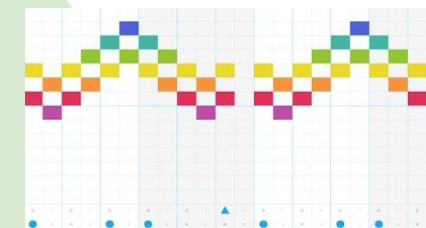

Computing

You will be learning how to make music using a computer. You will create a rhythm pattern using 3 notes. We will also begin to explore who content on the Internet belongs to.

Music

Our theme for music will be 'How does music help us to make friends?' We will be exploring lots of different patterns in music and you will continue to develop your performance skills, as well as improvising and creating your own compositions with the glockenspiels.

Enrichment opportunities

- Create a scavenger hunt or treasure map – write instructions to find the treasure, using language including forwards, backwards, left, right and the compass directions.

Outdoor learning and Forest School activities:

- What's in your circle? – Place a hoop on an area of your garden – which plants, flowers or other living things can you identify?
- Use petals, twigs and grass to make natural art.
- Growing plants for food – tomatoes and potatoes – can you measure the height of the plants in cm?
