Where does power come from?

ADDITIONAL READING

The Extraordinary Life of Malala Yousafzai by Hiba Noor Khan
The Elsewhere Emporium Ross Mackenzie
The Kings and Queens of Britain R.J.Parker

English

Narrative

- This half term we will be reading the amazing "Nowhere Emporium" by Ross Mackenzie.
-we will be retelling the story of Rapunzel with a scary twist.

Poetry

- We will be studying the poem Tyger by William Blake.

Non-fiction

- We will be writing instructions based on our DT project last half term.

Maths

Properties of shape

- identify 3-D shapes, including cubes and other cuboids, from 2-D representations
- know angles are measured in degrees: estimate and compare acute, obtuse and reflex angles
- draw given angles, and measure them in degrees (°)
- Revision in preparation for SATS

R.E

Witness

Each of us, by the way we live our lives, the way we treat others, and by our words and actions, show if we have an attitude of service.

Italian

We will be continuing to work on our basic conversational work in preparation for our trip to Rome.

Science

Working scientifically

- recording data and results of increasing complexity using scientific diagrams and labels, classification keys, tables, scatter graphs, bar and line graphs
- reporting and presenting findings from enquiries

Living things and their habitats

- Describe how living things are classified into broad groups according to common observable characteristics and based on similarities and differences, including microorganisms, plants and animals
- Give reasons for classifying plants and animals based on specific characteristics

History

From the curriculum

- A study of an aspect or theme in British history that extends pupils' chronological knowledge beyond 1066
- A significant turning point in British history

What this looks like in class:

Within this topic we will be discussing who has power, where power comes from and how do people use it?
We will be looking at Emmeline Pankhurst and how she is significant within the rights of women.

Enrichment opportunities

- Watch the female cricket world cup highlights to 'catch' England at their peak performance.
- Research information about Rome so we are fully prepared for our trip!
- Read a recipe book and follow the instructions to make something nice to eat.
- Bug hunt to investigate their habitat.

Art

This half term we will be focusing on the topic "Outside my window I can see..." We will be working with different types of paint and focusing on the work of David Hockney.

Computing

Creating media including a web page creation.

PHSE

Within this topic we will be exploring the role of community, to include diversity, stereotypes and prejudice. We will be investigating the role of money in the world as well as exploring aspirations, work and careers.

PE

This half term we will be focusing on cricket. We will be looking at batting and bowling skills and the rules of the game.

Music

Women in music

Throughout this series, children will explore the concept of 'identity' – the various elements that shape us. In this unit, we start with gender, with reference to social and cultural differences.
