

## **Sacred Heart Primary School**

### **PE and Sports Premium 2016/17**

At Sacred Heart Primary School, we believe PE & Sport to be an essential part of education for every pupil. We also believe that the provision of high quality PE and Sport has the potential to change young people's lives for the better and prepare them for a healthy life in the future.

At Sacred Heart, we aim to increase participation in sports and PE and develop healthy lifestyles by:

- developing a 'fitness for life' ethos across the whole school community
- aiming for each child to be of a healthy weight
- improving emotional health and well-being
- improving the quality of teaching in PE
- developing confidence in staff with the teaching of PE across the school
- promoting the importance of a healthy lifestyle to all pupils
- continuing to build on the legacy of the 2012 Olympics and recognise the importance of upholding the Olympic and Paralympic Values across the school
- encouraging competitive sport across the school through competitions
- promoting competitive sport outside of school

We have welcomed the Government's announcement to provide additional funding to improve provision of physical education (PE) and sport in primary schools. We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our young people.

### **Sport Premium Grant Allocation**

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11) as at the annual census. All schools with 17 or more primary aged pupils will receive a lump sum of £8,000 plus a premium of £5 per pupil. Smaller schools will receive £500 per pupil.

For the academic year Sept 2016-2017 we will receive an amount of £8,905

### **What does the Sport Premium mean for my School?**

'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this' (DfE June 2013).

### **Sport Premium spending 2016-2017**

We will continue to develop out Sport Premium to raise standards and participation levels in PE throughout the school.

This academic year, we will use the Sport Premium to:

- Purchase of the Silver Package from the Newcastle PE and School Sport Service to provide support, planning and assist the school in further developing PE and School Sport Provision to support the schools plans to raise standards and participations levels in PE throughout the school. Good practice will be shared and ways to embed the core values into the whole school day; demonstrating how PE supports whole school improvement. (Amount Budgeted - £1600).

- Provide professional development opportunities in PE and School Sport for teachers across the school through the Newcastle PE and School Sport Service. (Amount Budgeted - £500)
- Support to be provided by the Newcastle PE and School Sport Service to help increase confidence levels of staff in the delivery of the previously purchased PE Scheme of Work (Real PE) (Amount Budgeted - £600)
- Provision of specialist coaches to work alongside teachers in order to develop confidence and competence in the delivery of more sport specific activities, i.e. Skipping, Dance, Gymnastics. (Amount Budgeted - £1000)
- Whole School Assessment with the support of the Newcastle PE and School Sport Service, including a Whole Staff meeting to support the teaching staff in using the assessment criteria/data to illustrate progress in PE Lessons. (Part of Silver SLA).
- Additional PE Assessment day purchased for the Summer Term. (Amount Budgeted - £500)
- Purchase Booster sessions as an intervention to support the less able children is developing their fundamental movement skills (Amount Budgeted - £180)
- Further develop the outdoor adventurous element of the PE curriculum, utilising the school's own grounds and facilities by buying in specialist coaches and attending OAA related CPD (Amount Budgeted - £225)
- Continue to buy-in specialist support for Forest Schools (Amount Budgeted- £1,000)
- Invest Cycling provision for all children in the school; providing access to cycling in both curriculum and extra-curricular time; this investment will also be funded by other income streams. Project costs – Bike Tracks £10,000, Fleet of Bikes, Balance Bikes and Equipment £21,000. We will use £2000 from the 2016/17 Sport Premium to contribute to this project. We are also in the process of applying for funding and linking up with Sacred Heart High School (Amount Budgeted - £2000)
- Prepare for and attend competitive opportunities provided by the Newcastle PE and School Sport Service, including engagement in the School Games programme.
- Prepare for and attend competitive opportunities provided by the Catholic family of Schools.
- Attend Healthy Active Lifestyle Events and Festivals provided by the Newcastle PE and Schools Sport Service; ensuring each year group is given the opportunity to attend. (Part of Silver SLA).
- Enter the Annual Schools 500 Games Competition, thus provided a pathway for the most- able pupils. (Amount Budgeted - £250)
- Attend the annual Skipping Festival opportunity provided for the Catholic Family of Schools.
- Subsidise costs to and from Competitions and Healthy Active Lifestyle Events in order to allow children to participate. (Amount Budgeted - £600)
- Continue to provide Extra Curricular Activities (Breakfast Clubs, Lunchtime Clubs & Afterschool Clubs) to give all children at the school to participate in sports related sessions.
- Continue to use play leaders to promote and deliver sporting activities at lunchtime.
- Audit of current PE equipment and, where necessary, purchase or replace items necessary to aid the delivery of the PE curriculum and sport within school, including resources for Extra Curriculum Sports Activities/Clubs. (Amount Budgeted - £300)
- Entry into Newcastle School Dance Festival 2017 (Amount Budgeted - £100)

## **Outcomes and Sustainability – 2016/17**

### **Expected Outcomes of and how we will measure impact**

- Greater overall staff understanding of how to plan, deliver and assess the impact of PE Lessons
- Positive feedback from PE Leader's lesson observations. Standard of PE lessons is higher at the end of the academic year, compared to the start of the academic year.
- Increased teacher confidence in planning and delivering a wide range of PE lessons.
- Embedding PE Assessments that are based on the fundamental movement skills that will enhance and support the delivery of a Skills Based PE Curriculum.
- A greater number of children taking part in competitions, both in school and competing against other schools in Newcastle. This will develop the children's confidence within a chosen sport, familiarises them with competing against other schools and increasing their enjoyment and enthusiasm for sport.
- A greater number of children participating in Healthy Active Lifestyle Events and Festivals. This will allow the children to experience participation events involving other schools and give them the opportunity to demonstrate core values.
- Children in all Key Stages will take part in and enjoy PE, keen to learn new sports and gain new skills that will give them the skills/ability to carry on with sport and being active in adulthood.
- Increase the number of children regularly attending Extra Curriculum Sports Activities/Clubs, especially those children that have not engaged previously with these types of opportunities.
- Extra Curriculum Sports Clubs/Activities to be an integral part of school life.
- The majority of children within school to be fit and healthy with a good understanding of how to lead a fit and healthy lifestyle.

We will evaluate the impact of the Sports Premium funding as part of our normal self-evaluation. We will look at how well we use our allocated Sport Premium to improve the quality and breadth of PE and sporting provision, including participation in PE and Sport so that all pupils develop healthy active lifestyles that will continue in their adult life.

We will measure impact provided by the Sport Premium in terms of:

- PE Assessment Data and outcomes relating to pupil progress.
- The progress children have also made in PE linked to personal and social development.
- The number of children involved in competitive sporting activities.
- The number of children involved in non-competitive sporting activities such as Healthy Active Lifestyle events and Festivals.
- The number of children engaging in Breakfast Clubs, Lunchtime Clubs and Afterschool Clubs.

We will also evaluate the impact of professional development opportunities in improving teaching and learning.

We will also look to embed the PE Core Values (Self-belief, Determination, Passion, Honesty, Teamwork & Respect).
