

## English

Non-fiction

A beginner guide to Life on Earth.

Gill Arbuthnot.

Non chronological reports

Poetry

Narratives

## History/Geography

We will be looking at different types of settlement and land use, and economic activity including trade links, and the distribution of natural resources including food. We will learn about geographical similarities and differences through the study of human geography of a region of the United Kingdom and a region of South America.

## Art/Design Technology

Design technology—we will be designing a structure in order to build a bug hotel. Planning different structures and evaluating which one is the best.

## Maths

Place value; Place value (decimals); Written + and – including problems; Mental x and ÷ (factors, multiples); Division including problems; Fractions (compare, order, equivalence).  
Formal multiplication and division, involving reasoning and problem solving.

## Come & See

Our RE topics this term are;

- Mission
- Memorial Sacrifice
- Sacrifice

Year 5

Pandora

PSHE  
Relationships

## Computing

We will be continuing our coding using Espresso and Scratch this term. We will also be learning more about e-safety and how to use a range of software to present data and information.

French  
Numbers 20—30  
Months of the year  
Colours

## Science

We will be learning about the life cycles of animals and plants. We will compare life cycles of animals in the local environment with those around the world and compare how animals grow and reproduce. We will also research the work of some naturalists (Jane Goodall, David Attenborough) and describe the process of sexual reproduction in plants.
